

# P2P BASE Marketplace

## Why use P2P

**Seller: No tax, more profit**  
**Seller: No 21 waiting days**  
**Buyer: Low tax, better deals**  
**General: BASE stays on TBC**

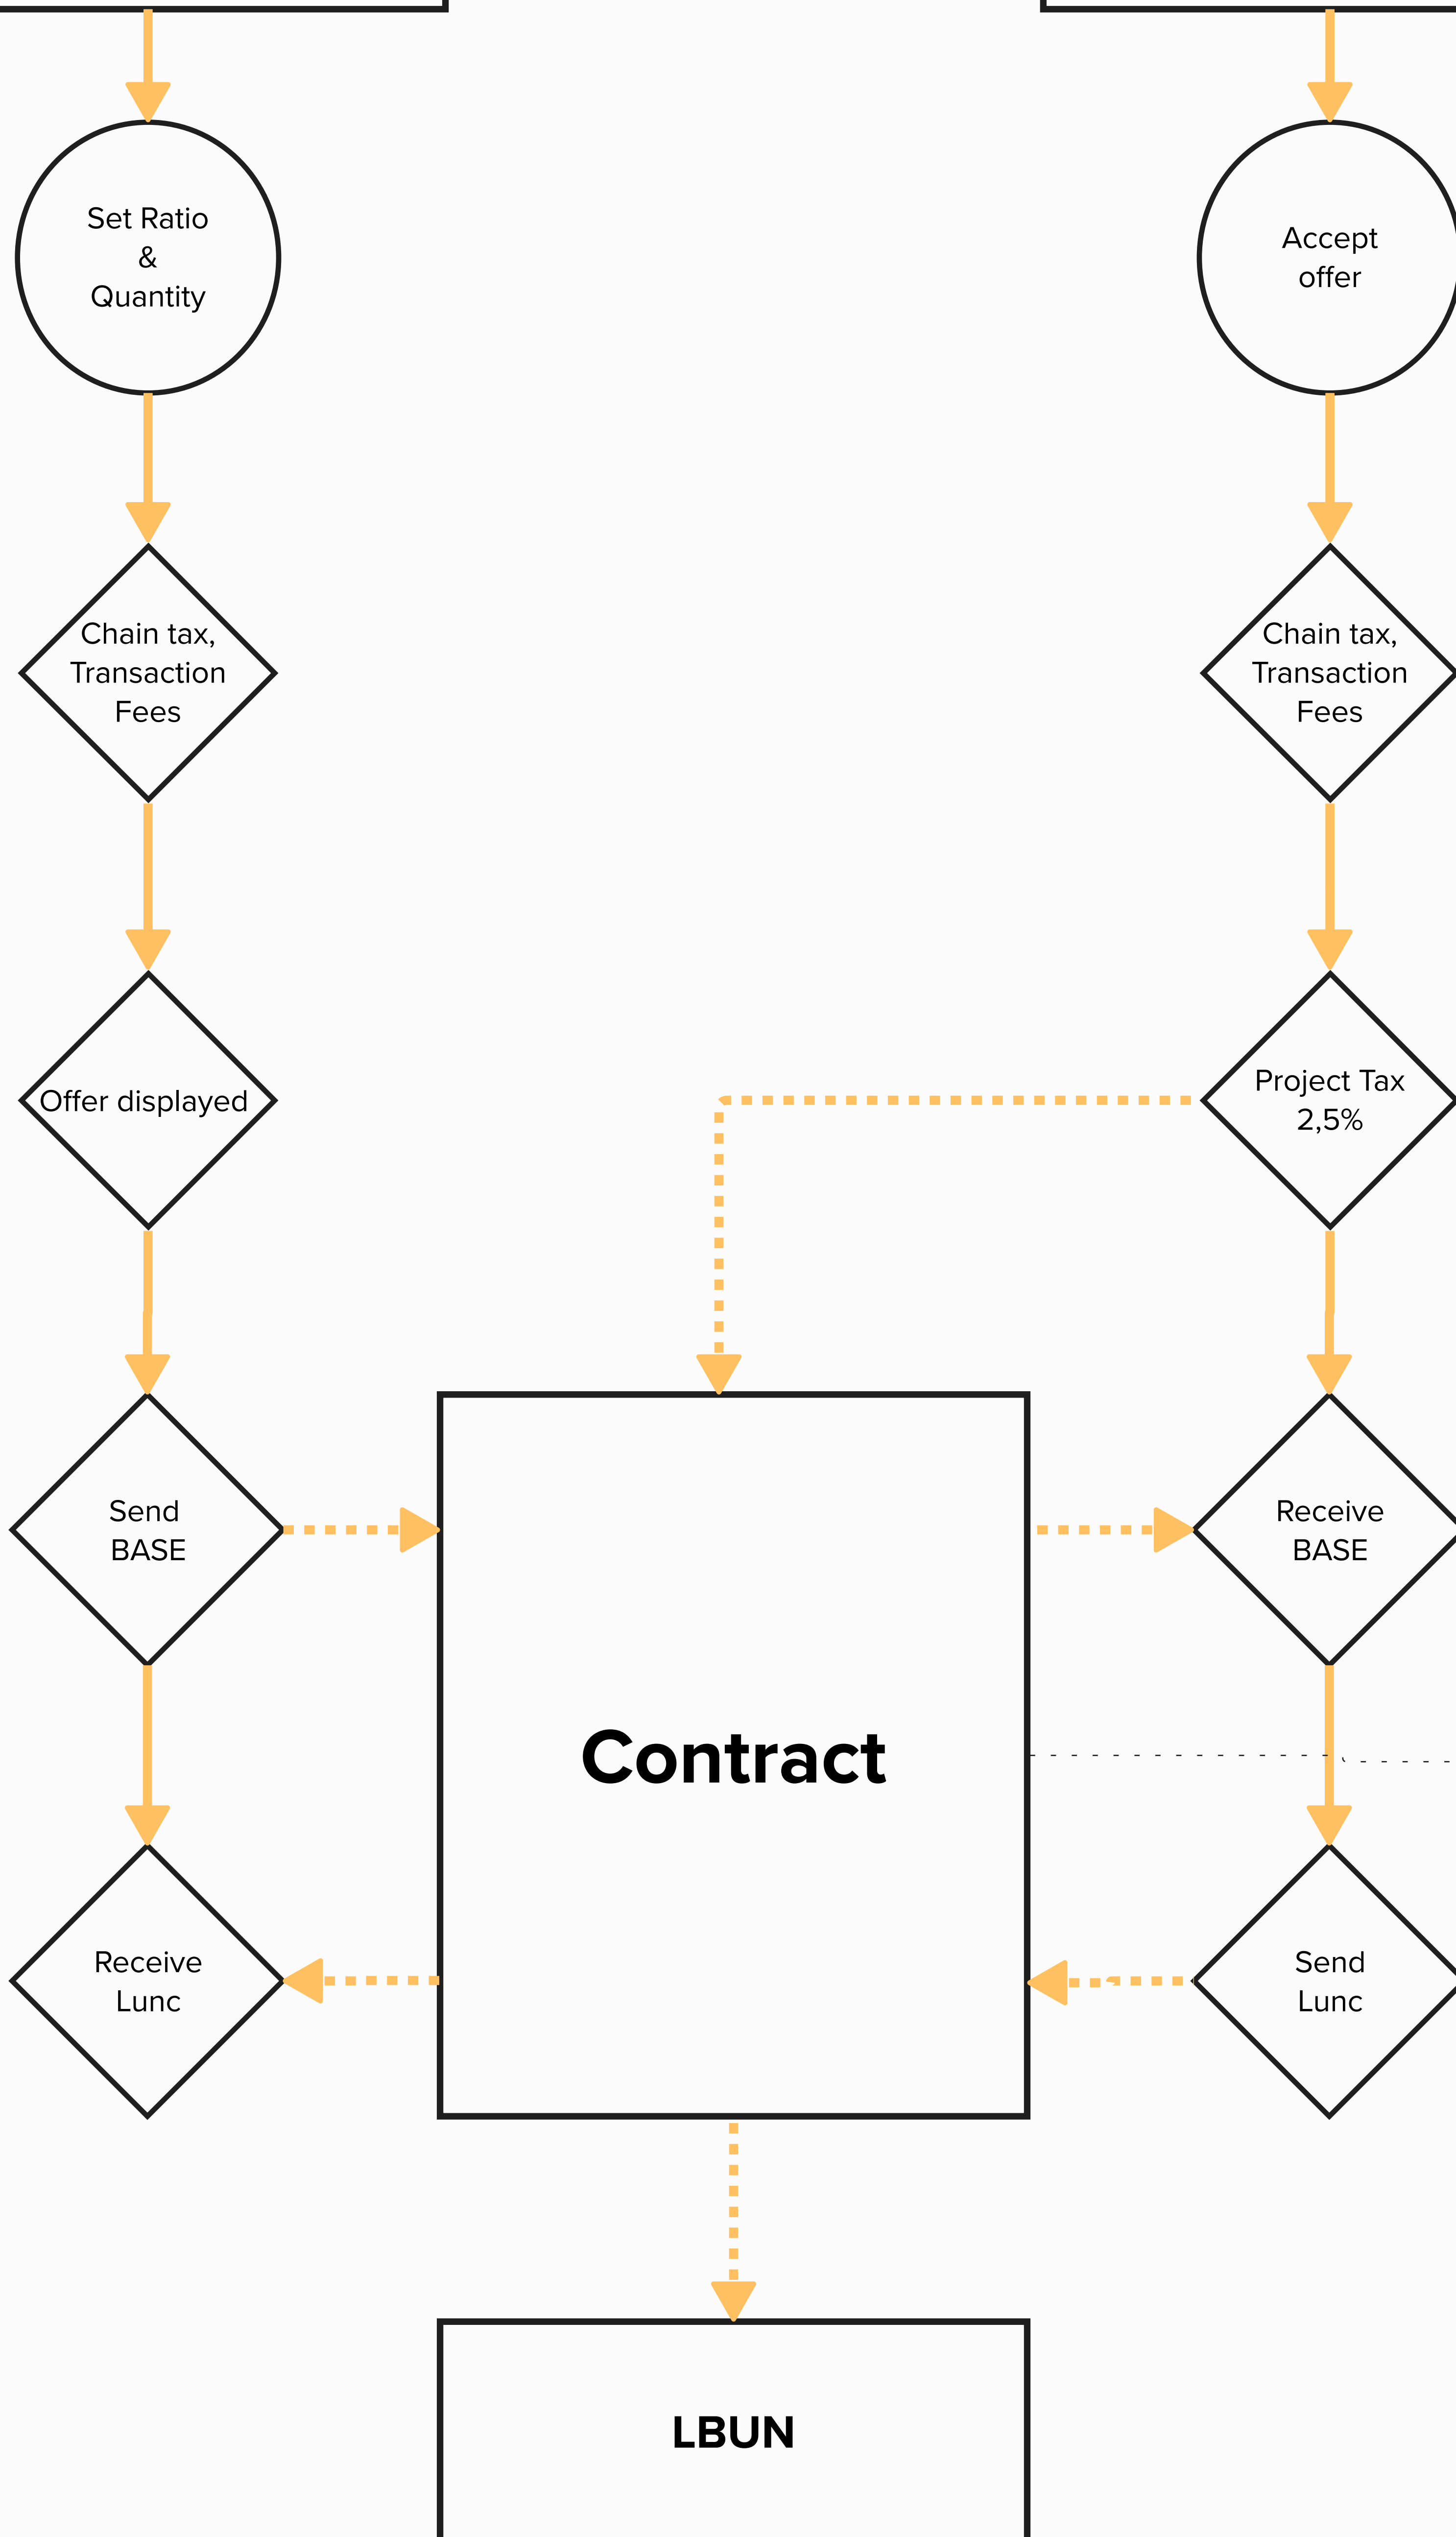

## DISCLAMIER:

-The author of this document is NOT a financial adviser. Nothing described here is intended to be taken as financial advice!  
-This is not an official statement, but an attempt to visualize the P2P processes  
-Processes could be simplified for visual understanding  
-The overview can be subject to change and/or typographical errors

**The smart contract acts like an escrow;**  
**It holds the deposited tokens until payment conditions are satisfied or returned when the offer is cancelled.**
